Childhood Homelessness Symposium

February 25, 2025 • 8 am – 3:30 pm
Queen's Conference Center
familypromisehawaii.org/symposium

Organized by Family Promise of Hawai'i, this **first-of-its-kind gathering** will bring together homeless service providers, organizations serving children and families, advocates, policymakers, and all who are working to end childhood homelessness, which affects 1 in 30 young children in Hawai'i.

Local and national experts will share about innovative solutions and best practices to address childhood homelessness, one of Hawai'i's most urgent – but often hidden – challenges. **Breakout sessions** will address cutting-edge ideas, issues for Native Hawaiians and Pacific Islanders, early education, domestic violence, and more. Come together to learn about the research, hear about innovative solutions, and connect with a community dedicated to creating a Hawai'i where **every child has a home**.

Sponsorships will help to offset the costs of hosting national experts for the symposium, conference supplies and catering, and attendee scholarships.

Featured National Speakers

- Based in Washington, Mehret Tekle-Awarun, Managing Director of Building Changes, will share how her state's Dept. of Education has created an **innovative fund for homelessness services**.
